

Vet and other Vet Services

Alphabetical order by county in the UK and Ireland

Whenever you contact a new vet/practice (and this applies to those on this list as well) make sure you make clear what YOU want and get to see someone who can provide that. Quite often a practice may be conventional but a holistic (or similar) vet may work out of there. A sensible polite question at the outset can save a lot of aggravation or confusion!

UK

Roger Meacock. 07866 687296 : roger@lasthopevet.co.uk
